

# ECOLITE™

## Glass Fibre Poles

Cleaning at height...  
safely from the ground.

Improved light-weight glass fibre poles with the renowned **LITE-5®** red durable pole hose, bonded collar and unique 6" angle adaptor.

The unique **STREAMLINE®** angled adaptor, supplied as standard, provides 6" depth if required between the pole and brush for deep sills and window reveals (9" and 12" adaptors also available as optional extras).

**LITE-5®** Red pole tubing offers the best in durable 3 layer construction, yet remaining flexible and manageable even in colder ambient temperatures. Strap supplied for tidy storage of the pole tubing.

All Xtel poles include the Innovative Locking System, simple one hand clamping operation for both left and right handed persons. Clamp design provides strong, positive locking force. Clamp guard prevents against accidental release.
