

STREAMLINE®

Window Cleaning Solutions

MOBI™ BASIC

The new Carry 'n' Go Mobile DI Filter filled with demineralising resin, for pure water spot-free cleaning.

- Comfortable metal carry handle
- Same handle can be used for wall mounting
- Stainless hozelock-type couplers for long life
- Stop connector on female coupler saves pure water when disconnected
- Resin changes can still be performed easily
- Larger FH3 & FH4 vessels available for wall mounting

STREAMBOX™ TROLLEY SYSTEMS

DO IT YOURSELF Simply fill the tank with tap water and it is ready for work, producing Oppm pure water on demand!

- Compact design with retractable handles
- Lightweight aluminium frame, for easy handling
- Pneumatic tyres, for rough terrain
- 25-litre, 28-litre & 50-litre versions available
- With or without 6x18 resin vessel
- TDS meter and 5 metres of hose with couplings included
- Reliable 100psi Shurflo pump
- 240-volt battery charger

STREAMLINE® TRAILER SYSTEMS

With 13" wheels for ease of towing, lockable ABS lid, gas struts, jockey wheel and tailgate as standard, this is a high quality trailer specification.

Trailer systems are extremely versatile and allow you to free up the load area in your van or even run your cleaning operation with a car. Options include simple de-ionising resin filter systems, or mini reverse osmosis filter systems for use in hard water areas, fitted and ready to go.

ECOLITE™

Improved light-weight glass fibre pole with the renowned Lite-5 red durable pole hose, bonded collar and unique 6" angled adaptor.

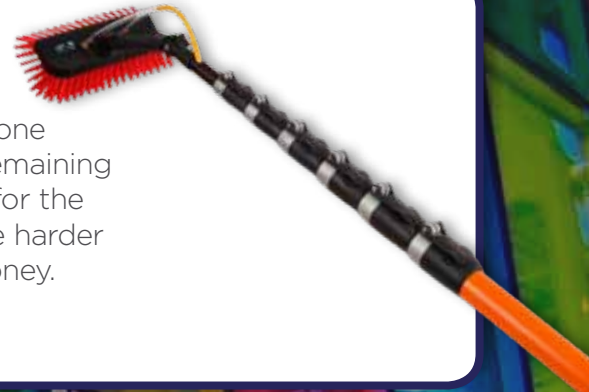

Available in 16-36ft Reach.

NTECH™

This range of poles have proven to be the industry's number one choice for quality, long-lasting poles, providing stiffness yet remaining lightweight and easy to extend. **NTECH™** telescopic poles are for the discerning window cleaner and have proven themselves to be harder wearing and longer lasting thus providing better value for money.

Available in 20-42ft Reach.

ECOLITE V2™

These poles consist of 80% carbon fibre providing a stiffer, lighter pole. The lightness of the pole enables prolonged working time without fatigue, especially when large areas of glass are to be cleaned.

Available in 21-57ft Reach.

COUPLING OPTIONS

Q21FH-6

Female connector with 6mm hosetail

Q21MH
