

# NTECH™

## Telescopic Poles

**Cleaning at height...  
safely from the ground.**

The **NTECH™** range of poles has proven to be the industry's number one choice for quality, long-lasting poles, providing stiffness yet remaining lightweight and easy to extend.

NTECH™ telescopic poles are for the discerning window cleaner and have proven themselves to be harder wearing and longer lasting, thus providing better value for money.

**All NTECH™ poles have the following features and benefits:**

- Poles are constructed of high quality composite material and finished with an epoxy resin for extra hard wearing capabilities
- Poles are fitted with a heavy duty PLASTI-BUTT™ cap on the base section
- Poles have a heavy duty metal band around each clamp, which provides up to 30% better clamping ability
- Poles up to 45-ft are fitted with a wear-resistant collar at the top of the pole to connect to the brush and are supplied with an AD1-6F 6" angle adapter as providing extra reach for deep sills etc.
- Poles are supplied with LITE-5® yellow, highly visible, ultra-flexible pole tubing, providing suppleness and flex even in colder conditions.
