

HEATWAVE™

Thermo I & II Water Heaters

Another innovative
STREAMLINE® product

IT IS A FACT...

...that hot water cleans better than cold water, so why not improve your cleaning results with a **HEATWAVE™** water heater?

The greatest benefit of this superb kit to the cleaning contractor is reduced cleaning times, as hot water cuts through dirt, snail trails, fly spots, spider webs etc. far easier than if using cold water.

BENEFITS OF THE **HEATWAVE™** WATER HEATERS INCLUDE:

- Safe to use, diesel-fired water heater which can draw fuel from the vehicles tank
- Built in thermostat
- Compact design for maximum space saving
- Robust stainless steel cabinet for long life and no rusting
- Froststat controller with digital reading to prevent the system from freezing and to keep you working
- Can be retrofitted to any pure water system

Saving time... saving money
