

STREAMLINE[®]

TRAILER SYSTEMS

Behind you all the way

LET'S GO WINDOW CLEANING...

...WITH **STREAMLINE**[®] TRAILER SYSTEMS.

With 13" wheels for ease of towing, lockable ABS lid, gas struts, jockey wheel and tailgate as standard, this is a high quality trailer specification.

Trailer systems are extremely versatile and allow you to free up the load area in your van or even run your cleaning operation with a car. Options include simple de-ionising resin filter systems, or mini reverse osmosis filter systems for use in hard water areas, fitted and ready to go.

The range includes 250ltr, 350ltr and 400ltr systems for one or two operators. See over for systems specifications and options.

Saving time... Saving money!

STREAMLINE[®]
