

STREAMVAC™

Gutter Cleaning Systems

Saving time... saving money

Beat the winter and remove those autumn leaves with

STREAMVAC™.

The Streamvac™ vacuum system revolutionises the gutter cleaning method, making the task safer, easier and faster.

Gutter cleaning systems are an ideal complete package for domestic and commercial cleaners. Pole extensions are available in both aluminium and carbon fibre, with the option of a fixed aluminium swan neck or a flexi-head.

Systems are available in both 110 and 230 volt.
